

**REMARKS**

The foregoing amendment inserts into the first line on page 1 of the application the same information which was included on Rule 60 form filed with this application on April 4, 1996.

The PTO's PAIR information appears to be inconsistent with this information provided by applicant in that the filing of the PCT application is apparently not recognized.

Appropriate correction of the PTO's oversight is requested.

Respectfully submitted,

/Anthony J. Zelano/
